Jardin D'Alba

Golf & Spa

Jardin D'Alba

This elegant development, in the heart of the golf triangle of Villamartin, represents the gem of architectural design on the Costa Blanca's foremost golfing region.

Jardin d'Alba is made up of 1, 2 and 3 bedroom apartments (the 2 and 3 bedrooms all have 2 bathrooms), a private development with ample communal areas and gardens, one of which is an aromatic herb garden. Jardin d'Alba is not just a place of residence, it is also a place of relaxation thanks to a modern spa facility for the exclusive use of the residents of this luxury development.

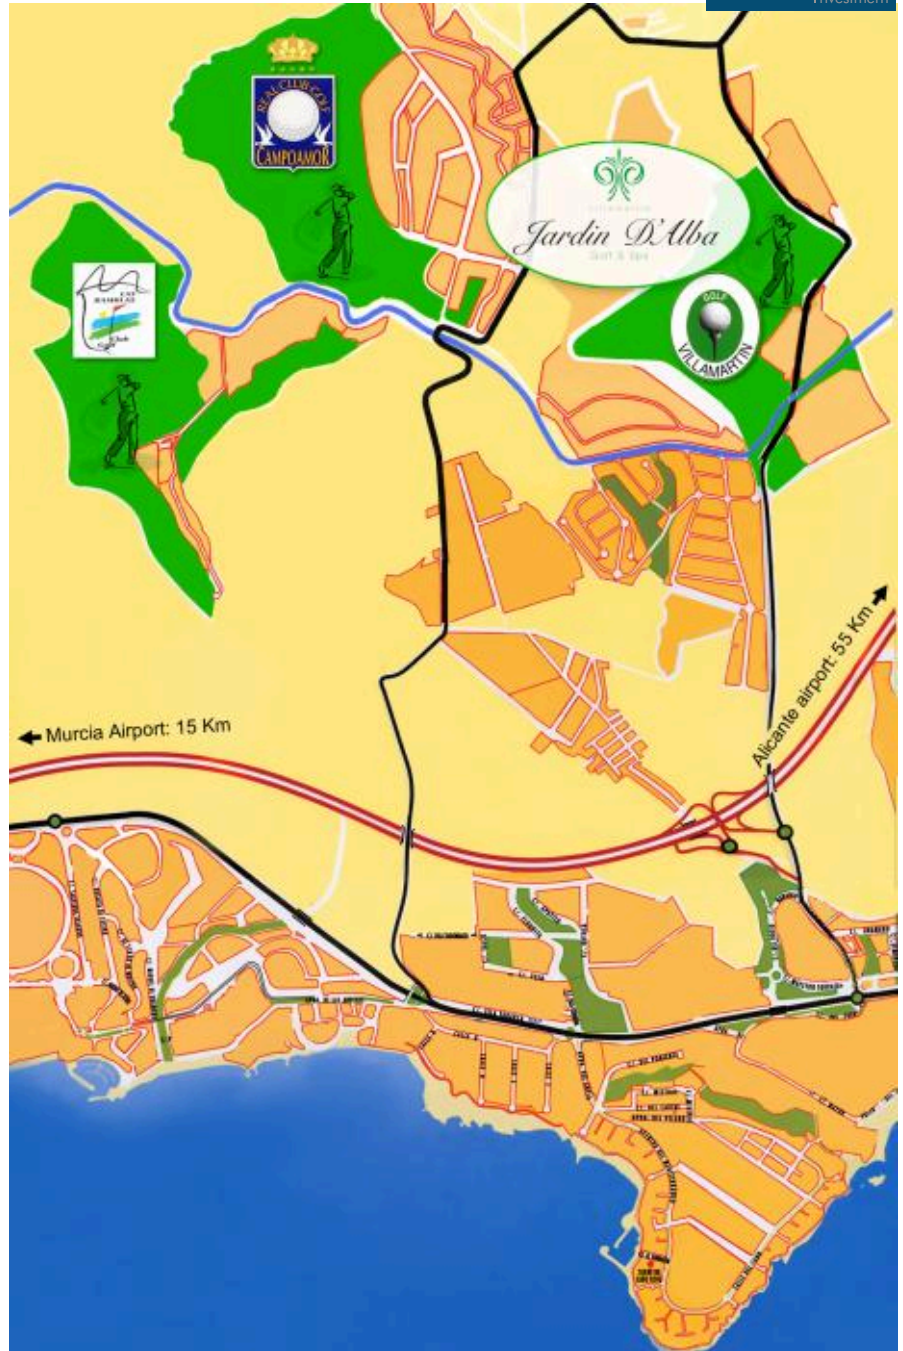

The white sandy beaches, just 5 minutes away, and two fabulous marinas (Campoamor and Cabo Roig) put the icing on the cake of this unique development on the Mediterranean.

Simple and elegant with a superior design, Jardin d'Alba will be a reference for future projects on the Costa Blanca.
